

Take Three Colours

TAKE THREE COLOURS by Grahame Booth

Watercolour Snow Scenes

"There's no ground standing on howmanship, just solid, honest instructions and demonstrations that produce solid, worthwhile results." - Artbookreview.net

Snow scenes make wonderful subjects for beginner watercolour artists - all you need is the know-how and confidence to go a little deeper, expand and just the right amount of colour. Popular artist and author Grahame Booth will show you how to achieve beautiful results, using just three brushes, three paints and nine fantastic projects.

START TO PAINT WITH 3 COLOURS, 3 BRUSHES AND 9 EASY PROJECTS

Starting with a small but perfectly formed tool kit of three brushes, a mixing palette, watercolour paper and three tubes of paint, Grahame guides you step-by-step through nine projects, starting with a simple scene and progressing on to more complex ones.

Even if you have never picked up a paintbrush, you will be amazed at what you will achieve by the end of this book, and along the way you will have learnt all the skills you need to start painting wonderful snow scenes of your own.
