by Jan Horrox

Containing 6 wonderful step-by-step projects and ideas for many more, this highly practical guide is aimed at those who are new to doll making, as well as more experienced needlecrafters. It contains the best of Jan Horrox's previous titles: *Introduction to Making Cloth Dolls* and *Making Fantasy Cloth Dolls*.

Jan's beautiful dolls are exquisitely made, yet by breaking the process down into easy-to-follow steps, they become surprisingly easy to achieve. There are clear, step-by-step instructions for making hands and feet, making hair and needlesculpting and painting the exquisite faces to really bring the dolls to life. There are also instructions for making webbed fingers and delicate fairy wings as well as a mermaid's tail! Full-size templates for all the body pieces are supplied at the back of the book.

With 6 projects to choose from, including fairies, wood nymphs, mermaids, witches and a steampunk doll, this book provides all the means and inspiration you need to make your own gorgeous dolls.
