

Debbie Shore's Sewing Room Secrets

Debbie Shore's Sewing Room Secrets: Quilting

# Debbie Shore's

by Debbie Shore

# SEWING ROOM SECRETS

## Quilting

Jam-packed with hands-on, practical advice, and with gorgeous projects to practise the skills you learn, Debbie will teach you everything you need to know about quilting.

Whether you are at the start of your sewing journey or are already an experienced quilter, you'll be inspired by Debbie's friendly and easy-to-follow approach to useful quilting techniques. Beginning with a section on quilting essentials she'll guide you around your sewing machine and explains all the tools and materials you might need.

The second section then introduces you to the key quilting techniques you'll need to know: discover patchwork favourites such as disappearing nine patch and English paper piecing, different quilting styles, sashing, binding and more — each explained clearly with stitched samples or illustrated step by step. Projects then follow a single or selection of core quilting skills, so you can put your new knowledge into practice.

This is the ideal book for those new to quilting, looking for in-depth and helpful guidance, or for the more experienced quilter looking to brush up on their skills.

### Book Contents

About this book 5  
About me 6  
What is quilting? 7  
What is patchwork? 8  
My quick tips 9
