Animals

in Watercolour

Matthew Palmer

Best-selling author Matthew Palmer shows you how to paint a diverse range of animals and birds including a parrot, cat, dog, zebra, stag, cow and swan, and teaches you how to paint realistic markings, fur and feathers, and how to create faces filled with character and personality.

BUILD YOUR SKILLS WITH QUICK & EASY PAINTING PROJECTS

Tracings are provided for all the paintings, including the three projects at the end of the book. Simply trace them off onto your watercolour paper and paint with confidence, without the need to make an initial drawing.

Each painting takes just 30 minutes to complete and teaches you a different technique, so by the end of the book you will be equipped with all the skills you need to complete one of the three full-size projects: a King Charles cavalier spaniel, a snow leopard and a hummingbird.
