by Catherine Arnfield

FELTED ANIMAL KNITS

20 keep-forever friends to knit, felt and love

Fuse two of your passions knitting and felting to create gorgeous, woolly animals filled with character.

In this incredibly inspirational and unique book, Catherine shows you how to knit, wet felt and needle felt 20 cute creatures that you, your friends and family will love! Whether you love lions, rave over rabbits, are awed by alpacas, crazy for koalas or head over heels for Highland cows, there is a stunning variety of animals for you to choose from and make.

Only basic knitting skills are required (cast on, cast/bind off, knit, purl, increase and decrease) and the wet felting process is simpler than you think! Then, once you've stuffed and sewn them up, you'll see how easy it is to needle felt details onto your velvety friend to create a fun and realistic creature.

Whatever your skill level, a friendly and comprehensive techniques chapter is included on knitting, wet felting and needle felting, all accompanied by clear, fully-illustrated step-by-step instructions so you can dive into your designs with confidence and creativity.

The tools and materials needed are basic, easy to source and cost very little, making these fuzzy critters perfect for beginner crafters, or more experienced knitters and felters looking for fresh ideas and effortless projects.
