Lace

REIMAGINED

Typically associated with frilly hankies and flouncy collars that are time-consuming to make and invariably white, the 30 projects in this book span the colour spectrum and make use of a range of materials including paper, fabric, thread and even concrete!

This original and exciting guide to lace is a visual feast of 30 inspiring step-by-step projects. It includes in-depth features and fascinating notes relating to the history of lace and will encourage you to experiment and inspire you with handy tips. The projects use bobbin lace, needle lace, needle weaving and drawn-thread work, all of which are clearly illustrated for beginners. Some projects feature techniques such as using concrete and papier-mâché; some feature ready-made lace, either entirely, or as something that can be
