Tina Francis shows you how to combine bold, bright colours in attractive, almost psychedelic patterns to create the illusion of 3-D. Use her easy-to-follow charts and approachable instructions to create 15 projects including cushions, wall art, pincushions, bangles and a brooch.

TINA FRANCIS

Bargello is easy to master, quick to achieve and very addictive. The stitches take on a rhythm of their own which makes it extremely relaxing and before long you'll be measuring your days in centimetres not hours. With only a handful of materials required canvas, floss, wool, polyester floss and instructions Bargello is certain to become your craft of choice.
