

Robyn Octopus & Friends

17 loveable animals to knit using chunky yarn

by Claire Gelder

'Claire's ability to harness her mental health experience through Wool Couture is admirable. Her products are a labour of love and her latest book, Robyn Octopus & Friends, is no exception. There's something so wonderful about spending hours creating something and being able to gift that to someone we love or keep it because we're beyond proud of making it.'

This book is making me want to make my nana proud and pick up my knitting needles once again! I hope it inspires you to do the same! - Foreword by Sara Davies, from Dragons' Den

CLAIRE GELDER

Shuggle up with Robyn Octopus and friends - all loveable, oversized toys to knit. The soft, chunky yarn and delightful characters will appeal to all, not just children. They make great reading or TV companions and sit at about 70cm tall.

As well as 17 different animals to knit and love, including a puffin, an orangutan, a turtle and a unicorn, you can also make Mini Robyn Octopus, Mini Mabel Bunny and Mini Chloe Cat, which are 30-40cm tall. The projects are aimed at beginners to improvers and are suitable for someone who has mastered the basics of knitting.

So be inspired, choose a pattern to start and be prepared to fall in love with this collection of adorable toys.
