DAYDREAM JOURNALS

Textile artists find inspiration all around them from fleeting memories to treasured items, sketches, poems and photographs. But how do you collect and record these precious thoughts and ideas? Tilly Rose shows you how, by creating stunning fabric and paper journals filled with inspiration to spark your creativity.

A lovingly created journal tells a story. It provides a fascinating glimpse into your world and is a beautiful object in its own right to be cherished by generations to come. There are eight beautiful designs to choose from, incorporating a range of exciting techniques that include layering and collage, hand embroidery, transferring your own designs to cloth, stamping, appliqué, embellishing, patchwork and free motion machine embroidery.

All of the techniques are explained with clear instructions and step-by-step photographs, so even those who are just setting out on their creative journey will find inspiration and all the know-how they need to make their own gorgeous daydream journals.
