How to Draw
Mountain Animals

Capture a sense of grandeur when you draw this diverse collection of mountain-dwelling animals and birds.

Prolific author and artist Susie Hodge teaches you to transform simple shapes into a majestic grizzly bear, a graceful cougar, or a shy mountain hare in easy-to-follow stages. Choose from a shaggy yak, a cheeky marmot and much more.

There are 28 different animals to create, in a variety of poses and styles. Each project starts with a few basic outlines and progresses into a finished tonal drawing, and a final watercolour version shows you how to develop your drawing even further. Perfect for beginners, as well as budding artists, you'll be amazed how easily you too can draw mountain animals with this inspiring guide.
