140 beautiful designs to embroider

Discover your favourite embroidery designs from the best-selling *Transfer & Stitch* series in this gorgeous, yet handy, folder edition. In the folder, you'll find an invaluable stitching guide with advice on tools and materials, essential stitches, transferring the designs and hooping up your fabric; and a separate transfer book with 140 stunning embroidery outlines of flowers, borders, insects, hearts and more ready for you to cut out and iron straight onto your fabric.

The stitching guide includes stitched examples of all the motifs to inspire your own embroideries, and inspiration for using the motifs to embellish clothes, cushions and other fabric items.

Use a single motif, or mix and match several designs, to create embroidered wall art or to embellish clothes, gifts and items around the home. When you're finished, store your transfer in the folder where it can be reused multiple times to craft beautiful, embroidered masterpieces again and again.
