# 20 to Crochet

Beanies are a must-have for any season. Whether sporty, glamorous, trendy or funky there's a style here to suit everyone. The best thing about crocheted beanies is their versatility and that is why they are so much fun to design and create.

There are 20 crochet hat projects featured in this book, with designs suitable for beginners as well as experienced crocheters. You'll find a helpful step-by-step techniques section at the front of the book with explanatory diagrams and a guide to yarn lengths. Each project is accompanied by clear instructions and a list of the materials and equipment you'll need alongside a beautiful colour photograph of the finished beanie.
