

Fun Figures

by Lorraine McKay

Fun Figures

Cute character cake toppers for all occasions

This gorgeous book guides you through Lorraine McKay's distinctive sugar art style, showing you how to create cute, characterful sugar figures for 10 special occasion cakes, from weddings and graduations to baby showers and birthdays. The book begins with a comprehensive introduction, covering all the basic techniques you need, from mixing skin tones and making eyes, arms, teeth and hair, to supporting your finished figures. The book then guides you step by step through 10 inspiring projects, each finishing with a gallery of close-up shots to show you exactly what you are trying to achieve. The book is packed with Lorraine's tips for success and will help you to create cute and accomplished-looking sugar figures with ease.

Lorraine McKay

Create cute, characterful sugar figures for a wide range of special occasion cakes, from weddings and graduations to baby showers

10 easy-to-follow and inspiring step-by-step projects, styled on finished cakes to give you ideas for how best to showcase your sugar figures

The comprehensive introduction guides the reader through all the techniques needed, from mixing skin tones and making facial features to supporting the finished figures
