by Suzen Millodot

Simple knotted necklaces look elegant and stylish when combined with beautiful ceramic, metal or wooden beads. Just one knot with several semi-precious beads is stunning. Matching bracelets catch the eye and can be worn on any occasion. Once the techniques are mastered, designs can be as extravagant, or as simple as you want - no specialist equipment is required and no special skills. The techniques are explained clearly with many detailed step-by-step photographs, accompanying diagrams and helpful advice, and inspirational projects are included to develop skills and inspire creativity.
