

Encyclopedia of The Encyclopedia of Mosaic Techniques

by Emma Biggs & Tessa Hunkin

The Encyclopedia of Mosaic Techniques shares the ancient methods for creating decorative artwork with mosaic tiles. This visual directory helps you transform your pottery, furniture, walls, and floors with fabulous creative mosaics. Learn foolproof techniques for getting colours to work together to create dynamic designs. It needn't be expensive: find out how to work with improvised mosaic tiles, such as pebbles, coloured glass, and other found materials.

An A-Z of 28 techniques

A gallery of over 80 beautiful examples of mosaic artwork to inspire
includes expert tips and advice on everything you need to know about the art
