

The Crochet Workshop

by Emma Osmond

Ideal for the absolute beginner, The Crochet Workshop teaches you everything you need to get started.

Follow Emma's eighteen easy-to-follow tutorials teaching you how to form a circle, a straight edge and working into a tube. There are also basic instructions on choosing yarn and how to hold the hook. There is even a UK and USA stitch comparison guide, so you can follow both English and American crochet patterns.

With six simple yet inspiring projects to practise, you'll be crocheting in no time and, best of all, the patterns are all written using full terminology to get you used to understanding how a crochet pattern is formed.

THE CROCHET WORKSHOP

learn to crochet in quick and easy steps

- Workshop schedule set around the book's concept
