

A-Z of Needlecraft

A-Z of Goldwork with Silk Embroidery

by Country Bumpkin

"If you just have one book on goldwork, this should probably be it. Though the book doesn't cover Every Single Aspect of goldwork, it covers most, and it instructs with very easy-to-follow step-by-step photos, as is typical with the A-Z series of needlework books."

- Mary Corbet, Needle n Thread

Back by popular demand!

Over 540 step-by-step photographs to help you create each one of the eight featured projects like an expert, while learning more than 100 different goldwork and silk embroidery stitches and techniques.

The ultimate reference guide for needleworkers, part of the successful series that was originally published by Inspirations Studios in Australia and now revamped for the modern needleworker by Search Press, with a fresh new design.

This book is full of practical expertise on how to create beautiful goldwork embroideries, enhanced with silk embroidery, while conveying the history and tradition of goldwork down the years. There is detailed information about the threads and equipment needed, with clearly illustrated instructions and many hints and tips to help you achieve the best results.
