

100 Little Gifts to Make

by Monica Russel & Search Press Studio

Knitting continues to be a very popular craft, and this book has a very wide appeal both to beginners and more accomplished knitters. This book represents amazing value, comprising 100 projects from some of our best-selling knitting authors. The book covers a wide variety of themes from Christmas knits, baby booties, phone covers, mug hugs, headbands and scarves, so there is something for everyone to enjoy. Knitting requires very little in the way of tools and materials, which are widely available from major yarn stores and are relatively inexpensive.

The techniques used in this book are simple enough for experienced beginners to master, and easy for more seasoned knitters. Special stitches used are explained in detail, and yarns are described in generic terms, so that readers can use what is available to them, wherever they live. The projects are satisfying to make and can be made as gifts for special occasions and celebrations to family and friends.
