Sew Brilliant Bags

Debbie Shore

It can be difficult to find bag designs that really inspire you: you might want the shape and pockets of one combined with the size and handles of another. But how do you put all these different elements together to create your perfect bag? Let sewing superstar Debbie Shore teach you all the techniques you need to create 12 beautiful, customizable projects, and then show you how to apply these techniques and ideas to create your own unique designs.

The projects are wide-ranging, giving you plenty of ideas and techniques to try out, including a large, square-bottomed beach bag, a zipped, curved-top shoulder bag, an oilcloth tote, a pleated cosmetic bag, and a three-pocket cross-body bag with a magnetic fastener. Learn how to combine a range of techniques, from adding piping and making eyelets to inserting zips, adding handles and straps and creating a square bag base. What you create next is up to you! Mix and match techniques, fabrics and ideas to create a truly personal bag. All the techniques and stitches you need are clearly explained, and the projects can all be made on a basic sewing machine. The book is packed full of Debbie's friendly help and advice, with all the projects shown using clear, step-by-step photography and easy-to-follow instructions.
