INFORMATION

Sugar Cats

Learn how to make 20 cute kitties using easy techniques and inexpensive materials. The techniques are explained with easy-to-follow instructions, and no previous experience of sugar crafting is needed. The materials used are widely available from major cake suppliers.

These characterful cats include a Siamese, a Burman, a Ragdoll and lots of moggies including a ginger tom, a tabby and a tortoiseshell. There are also some very cute kittens to make. The author makes this very easy, with all the component parts pictured and very clear step-by-step instructions, plus an informative section at the beginning on tools and materials.
