Art of Drawing: Wild Animals

by **Giovanni Civardi**

THE ART OF DRAWING

INFORMATION

Since the first examples of prehistoric cave art, we can see that animals have been a subject of great fascination for the artist. Every civilisation through history has sought to depict animal forms an obsession which persists in art today.

Giovanni Civardi shares his expert advice on observing animal anatomy, form and structure and employing perspective to capture a variety of wild animals with lifelike detail.

This inspirational and easy-to-follow guide will suit beginners as well as more expert artists providing a comprehensive overview of the techniques including advice and suggestions for the practical aspects of drawing from life.

- Expert techniques and instruction from world renowned life drawer Giovanni Civardi
- Easy-to-follow guides and accompanying sketches for every technique
- Includes a fantastic variety of inspirational drawings from the artist
