

Tangle Bay

by Jessica Palmer

Illustrator and paper cutter Jessica Palmer has created 70 pages of enchanting hand-drawn pictures for you to colour and lose yourself in. The images all have a magical maritime theme, and each one includes a hidden treasure intricately worked into the design for you to discover and colour in. The book includes designs that fit on a single page as well as those that extend across a double-page spread. Some of the designs fill the entire page and others sit within it. Others have space left for you to extend the design yourself to create something unique. High quality paper means that there is no show-through, so no need to fear ruining your next piece with stray ink!
