Twenty to Make: Micro Macramé Jewellery

by Suzen Millodot

20 Twenty to Make

Suzen Millodot illustrates the versatility of a few simple macramé techniques and creates twenty imaginative designs and great alternative ideas using braids, cords and beads. She includes patterns for two easy knots: the square knot and the lark's head knot, showing how to tie them in different ways using just four cords, and combines them with beads to make stylish necklaces, bracelets and earrings. Repeat one knot and complement the cord with contrasting beads to make eye-catching bracelets. Interweave cords of different colours and create trendy necklaces, or vary the position of the knots for an original look. This up to date look at macramé techniques offers crafters and jewellery makers fresh, inspirational ideas and takes an exciting look at a traditional craft. Step-by-step instructions are accompanied by close up photographs of all the designs and material lists provide all the information needed to create beautiful jewellery.
