Beginner's Guide to Mountmellick Embroidery

by Pat Trott

Beginner's Guide to Mountmellick Embroidery

The embroidery is traditionally worked on close-woven cotton with cotton thread and it has a great elegance. Flowing floral patterns intertwine with stems and leaves, the smooth satin stitches contrasting wonderfully with the packed, knotted stitchery and untextured background. These natural designs are often fairly large and the sculptured patterns have an appealing bold quality, which is enhanced by the absence of colour and the addition of knitted fringed fringes. Pat Trott explains all the techniques with clear step-by-step photography and inspiring easy-to-follow projects. This book will be welcomed by beginners and also embroiderers of all skill levels
