

Beginner's Guide to Needlecrafts **Beginner's Guide to Crewel Embroidery**

by Jane Rainbow

Beginner's Guide to Crewel Embroidery

Starting with just four of these stitches, Jane clearly demonstrates, with detailed step-by-step photographs, how to work up a complete project. Instructions show how to stretch and mount your first embroidery. Using further projects she helps you build up skills, introducing new stitches in each section. Line drawings accompany each design and are used as a guide for the stitches. The designs and colours used are traditional - reminiscent of the embroidery worked by embroiderers during the Tudor period, wonderful floral pictures worked in wool and soft colours.

The book is a comprehensive introduction to this lovely technique and at the same time it offers embroiderers practical help with presentation and finishing.
