

INFORMATION

Garden Organic Guide to Making Compost

by Pauline Pears

RE-ISSUE

Learn how to keep your plants strong and healthy, how to produce beautiful fruit, vegetables and flowers, and how to keep your patio and house plants healthy. The book guides you through all the stages, from why you should compost, what you can compost, building a simple heap and containers, to how to use your compost, supplementing your compost with green manures, and how to retain water. Beautifully illustrated, with step-by-step photographs and illustrations throughout, the pages are packed with practical advice and helpful information.

* Strong recycling theme

* Strong revival of interest in gardening without chemicals following media coverage of the harmful results of using pesticides, etc.

* Pauline Pears runs/oversees the organic gardening centre - HDRA
