**Twenty to Make**

Paula MacLeod shows you how to make a cute collection of sugar sporties! These sporty modelling paste characters are the perfect cake toppers for someone special who loves to get active. Choose between a tennis player, swimmer, golfer, footballer, gymnast or even a windsurfer. The constituent parts of each sportsperson are shown with the step-by-step instructions, and annotated for clarity, then each finished sporty is beautifully photographed. Only a few simple tools and techniques are used, so anyone can have a go at making these treats. Sport lovers will be thrilled to see any of these fun characters on top of a celebratory cake. The designs will also appeal to makers of polymer clay models.
