TRANSFER & STITCH

Butterflies, Bees & Bugs

OVER 50 REUSABLE MOTIFS TO
IRON ON AND EMBROIDER

This latest addition to the Transfer & Stitch series covers a huge range of designs of butterflies, bees and a vast assortment of bugs to be embroidered onto clothing or home furnishings for a unique, quirky finish.

Designs range from traditional life-like insects to edgy modern steampunk designs. These intricate motifs can be rendered in metallic or variegated thread to give them a colourful, jewel-like sheen.

There are over fifty designs to choose from, starting from tiny ladybirds up to larger-scale grasshoppers, and each one comes with an iron-on transfer that can be applied directly to fabric.
