50 Cents a Pattern: Crocheted Flowers

by Jan Ollis

20 On the Go projects

Novelty crocheters will love this collection of beautiful and realistic flowers to crochet by Jan Ollis, each costing only fifty-cents a pattern, and are little projects that are perfect for when they are on-the-go. Every design is accompanied by an alternative in a different color scheme, and full crochet instructions are given for each flower, together with lists of the materials and equipment needed. Each flower is photographed twice, one so that crocheters can see the design clearly, and the other to show the beautiful possibilities of the finished pieces, including brooches, and embellishments on hats, bags, sweaters, place mats, cushions, scarves and even shoes.
