20 Twenty to Knit

Nothing is more adorable than a tiny pair of mittens for a new baby and now you can knit your own for family and friends with these irresistible designs. Inside are 20 patterns in a range of colours and styles for boys and girls, from traditional stripes and cables to whimsical rabbits, frogs and ladybirds. Each design can be knitted in three different sizes suitable for 0-3, 3-6 and 6-12 month-old babies, with the option of including thumbs in the largest size. The patterns use small amounts of either baby- or fingering-weight yarn, and knit up quickly and easily using the clear, step-by-step instructions and full-colour charts provided. Each project comes with a list of the yarns and needles required and a stunning, full-colour photograph of the finished mittens, providing everything you need to create these gorgeous handmade gifts for babies.
