# Jewelry School Bead Stringing

Beaded jewellery is popular amongst crafters as it is highly creative, easy to master, and requires very little by way of tools or materials. *Bead Stringing* is part of the popular *Jewelry School* series by Carolyn Schulz, which teaches the reader how attractive, wearable items of beaded jewellery can be made quickly and easily. Following on from *Let's Start Beading*, this book focuses on a variety of bead stringing techniques, teaching the reader how even the most elaborate beaded necklaces, bracelets and earrings are actually very easy to achieve. There are 12 stunning projects, each with clear, step-by-step instructions and beautiful photographs, helpful tips, and inspiration for designing your jewellery pieces of your own. There's a handy picture glossary and guide to the tools you need at the back of the book, so even those new to jewellery making will have all the information they need to start out on their creative journey.
