# PAPER Christmas

16 papercrafting projects for the festive season

These fun papercraft projects range from simple yet effective bunting to intricate tree decorations, bell jar Christmas trees, and an advent calendar village. Give your holiday season the homemade touch, from wrapping paper to tree decorations, using very few materials and innovative techniques, such as printing with shaving foam and creating stunning greeting cards using gold embossing ink. Includes 64 traceable templates.

Emily's absolute favourite time of the year is Christmas: "nothing comes close to the enchanting and magical feel you experience at Christmas, where you can go to town with trimmings and decorations, garlands and sparkle. I love the variety of crafts you can produce at this time of year, from the delicate details on the table to giant stars and festive banners, you really can go all out if you want! Papercraft is my passion, so it made complete sense to combine this with my love of the festive season, to create an inspiring book of Christmas craft and wonder!"
