CREATIVE THREAD

20 people-inspired embroideries using modern hand-stitching techniques

Templates of the images to stitch are provided for photocopying and there is a photo gallery of all the stitches covered in the book, along with step-by-step photographs of key techniques, such as transferring patterns onto fabric or using batting to create 3D effects.

Whether you choose to make one-off pieces of art, embellish clothing with images and symbols unique to you, or make beautiful gifts for your friends, there is an alluring breadth of designs to both inspire and lose yourself in.
