

The Art of Moy Mackay

by Moy Mackay

The lavish new book from bestselling author and renowned textile artist Moy Mackay.

From concentrating mainly on the felting techniques described in detail in her previous books (*Art in Felt & Stitch* and *Flowers in Felt & Stitch*), this latest title by the prolific and popular felt artist now shows you how to find inspiration for your own felt painting creations. Delve into the catalogue of Moy's beautiful, colourful sketchbooks and photographs and learn about her own design process and influences, through which your own artistic abilities can be explored.

Moy takes you through every step of the felt-making process then shows you how to put together four fabulous felt paintings of various subjects. There is also guidance on stitching both hand- and machine-stitching as well as how to use colour and introduce texture in the form of different fibres and threads. There are numerous examples of Moy's work throughout the book, inspired by the dramatic scenery of the Scottish Borders where she lives and works, providing further inspiration for your own gorgeous felt paintings.

From inspiration and design to the finished vibrant picture, Moy's third book explores the development from initial thoughts through to the essential embellishments that add life and character to her work.
