

Beginner's Guide to Linocut

by Susan Yeates

Master the basics and beyond of linocutting with expert tutor and artist, Susan Yeates.

Linocut and screenprinting have undergone a resurgence in recent years. This book teaches the basic techniques for learning to make your own prints under the guidance and tutelage of expert teacher and artist Susan Yeates.

Susan, who also runs the popular 30 Day Sketchbook Challenge, and authored the title *Sketchbook Challenge* (9781800920453), explains the rudiments of linocutting, and guides you through ten practical and attractive projects including **greeting cards**, **works to frame**, **labels for jam jars**, **seed packets and bags** or **tea towels** to print and as personalised presents.

There are handy tips and suggestions throughout the book and each project begins with a list of tools and materials needed.

Book Contents

What is linocut?

Print art versus craft versus illustration

Tools and Materials
