Watercolour Mountains

'There is no grandstanding or showmanship, just solid, honest instructions and demonstrations that produce excellent, worthwhile results.' *Artbookreview.net*

Paint convincing watercolour mountain scenes using just 3 colours, 3 brushes, a palette and a pad of paper.

From only 3 affordable watercolour paints in red, blue and yellow you can mix a huge range of colours and paint beautiful landscapes you'll be proud to hang on your wall. Starting from the simplest of mountain scenes, Matthew builds your skills as you progress through the 9 easy projects in the book, and by the end you'll be amazed at what you have achieved.

Clear instructions and step-by-step photographs show you how to add detail, shadow and distance to a scene, and there are numerous handy tips and helpful 'jargon busters' to help you learn the basic watercolour techniques. Before you know it, you'll have acquired all the skills you need to paint your own wonderful mountain scenes in watercolour.

Matthew uses French ultramarine, cadmium yellow and alizarin crimson and sizes 12, 6 and 2 round brushes.
